ABOUT US

Be Exhibitions was set up by Ellen Stokes in 2017. After 10 years in the industry Ellen has built up a network that has assisted in the building of Be Exhibitions, as well as helping clients further.

Whilst Be Exhibitions covers the stand design and build part of an exhibition, our network can assist in everything else associated with exhibiting.

MARKETING & PR

Octima Marketing are experts in their field. Generating strategy and assisting in pre and post show marketing. They can help with developing your brand message and how and who you want to target at an expo.
